FRIDAY

APRIL 29

DANCE

Sean Dorsey Dance

Sean Dorsey Dance has been working on *The Secret History of Love (Part 1)* for the last two years, and the project itself looks back much further, exploring the ways in which transgender and queer people have forged bonds through the decades. Drawing from extensive research at the GLBT Historical Society and interviews with community members, Dorsey continues to place direct elements of storytelling at the forefront of modern dance. With this show, he focuses on courageous acts of love and protest dating back to Stonewall.

(Johnny Ray Huston)

Fri/29–Sun/1, 8 p.m.; \$15-\$20

Z Space at Theater Artaud

450 Florida, SF

(800) 838-3006
