## Upcoming

Returning to Maui with his second co-commissioned work, transgender choreographer Sean Dorsey brings *“Boys in Trouble,”* a production that unpacks masculinity with unflinching honesty, from unapologetically honest transgender and queer perspectives. Powerful, explosive, humorous and sexy, *“Boys”* offers an urgent and timely examination of American masculinity’s deep roots.

- Performance is at 7:30 p.m. Thursday, April 11 in Castle Theater at the MACC. Tickets are \$35 and \$45 with half price tickets for ages 12 and younger (plus applicable fees). To purchase tickets for any MACC event visit the MACC box office, call 242-7469 or order online at [www.mauiararts.org](http://www.mauiararts.org).
